Income Qualified Programs

Energy plays a vital role in our lives, but unfortunately for some customers, energy expenses can be a real financial burden. When temperatures start to drop in the wintertime we encourage our income-qualified customers to apply for energy assistance.

Energy Assistance

The [Wisconsin Home Energy Assistance Program \(WHEAP\)](#) provides assistance for heating costs, electric costs, and energy crisis situations. Operating with federal and state funding, the program provides assistance to approximately 225,000 Wisconsin households annually. Whether you use wood, propane, natural gas, electricity, or fuel oil to heat your home, energy assistance is available if you qualify. Residents of Washington County can contact Washington County Human Services Department at (262) 335-4677, or visit their website at [WC Human Services](#)
